Year 2 Talent Show Auditions

I am writing to inform you about the annual Talent Show which takes place in school. The children in Year 2 have once again been invited to take part. Mrs Whittaker, Mrs Grimshaw and Mrs McDermott have spoken to the children about possible acts that they could perform individually or as part of a group.

The children who wish to take part will go through an audition process on Thursday 16th February during the school day. For this they will only need to bring to school any music or props that they require. The children will not need to bring in any additional clothing.

Head lice

Following outbreaks of head lice in the school I would like to remind you to check your child's hair thoroughly on a regular basis.

We have been advised that combing and conditioning your child's hair is not sufficient to treat head lice and to use the correct treatment. The school has also been informed that most local chemists, including Boots Chemist in Stretford Mall, can provide parents with free solution for the treatment of head lice.
