Art Exhibition

Many thanks for your orders for your child's artwork. We are hoping to have the artwork back to you by Friday.

Christmas dinner

We are looking forward to our Christmas dinner on Wednesday. Your child has been given homework this weekend to make their own Christmas hat for Wednesday.

The Manchester Bee

Some Year 10 children at St Antony's Catholic College have made wooden Manchester Bee hanging decorations and we have been given a limited number to sell. These are £3.50 each and are available from the infant office. All the money we collect will be added to their collection for Francis House.

Christmas productions

As you may be aware, we are very busy rehearsing for our Christmas productions. Below are the dates and times of the production so you are able to add this to your already busy diaries! We are also recording the production again this year. These will be recorded next Thursday without any parents which should allow a better quality DVD with an extra camera in position to capture more close ups. A letter will be sent out next week if you would like to place an order for the DVD. These are priced at £10 each.
