Friday 14 th June 2019	Final day for PGL deposit payment (Year 5)

Welcome back!

We hope you had a great break! We are on our final half term, which we know will be a busy one.

PGL Payment

If your child is in Year 5 and you would like them to attend the residential holiday next year, please ensure your £45 deposit is paid before **Friday 14th June** to guarantee a place.

The warmer weather

As the weather gets warmer, please be reminded that sun tan lotion should be applied at home before coming to school. Please ensure your child has a named hat if the weather is forecast to be warm.

Parking around the school

We are again being advised of unsafe parking around the school both before 9am and after 3.30pm. We take the safety of the children and parents very seriously, so please be aware of your surroundings if parking near school.

Club payments

May I ask that all after school clubs and including Judo are paid for in advance of the start date. We can only guarantee your child's place once payment has been made.

Thank you for your continued support.

Mr J. O'Brien
Headteacher
