15th September 2017

Dear Parent / Guardian,

Monday 18 th September	CLASS 8 SWIMMING
Tuesday 19 th September	Church visit Class 12 (am) Reception 1 Parent Consultation
Wednesday 20 th September	Reception 2 Parent Consultation
Thursday 21 st September	
Friday 22 nd September	

Live Kitchen

I would like to remind parents that they are required to provide bank details for direct debit payments on the Live Kitchen system or make regular card payments. We would like to avoid the upset to the children at the servery if their account is "flagged up" to refer to their account. The bank or card details that you have provided to ParentPay **do not** get transferred to Live Kitchen.

Flu Vaccination

Consent forms for the Winter Flu vaccination have been given out to children today in years Reception to Year 4. Please check your child's bag as you are required to return your completed form by **Wednesday 20th September at the latest.**

Asthma inhalers

As the colder season approaches we find a lot more children require their asthma inhalers. If your child does require an inhaler, could you please provide the school office with a new inhaler. We would also like to request, if your child attends any sports clubs, breakfast club or after school club, that we have a spare inhaler so these are easily accessible.

School fund

Thank you to the parents that have already contributed to the school fund.

ParentPay

Please be reminded to check your ParentPay account regularly and keep the accounts in credit to avoid any unnecessary letters / telephone calls.

Mr J. O'Brien
Headteacher
