After School Club Survey

Many thanks to all parents who completed our After School Club Survey. We will be using the information returned to us to update you of any future changes and to respond to parent's comments.

Cold weather

Can I remind parents that during the colder weather children may wear black or navy blue jogging bottoms for outdoor PE.

I would like to remind parents that for safety reasons, hot/tepid food in flasks cannot be brought in to school as part of a packed lunch. This is due to the health and safety concerns relating to food poisoning and scalding. The school has no facilities to maintain or monitor required temperatures for hot packed lunches. Staff and other children are at risk of scalding if hot foods/soups are spilled in the dining room.

Yours sincerely

Mr O'Brien
Headteacher
