Website

We are in the process of updating our website which will include photographs of the school and children. If you do not wish your child to appear on the website, please contact the office as soon as possible. If you have previously expressed a wish not to have your child on the website, we still need an up to date confirmation of this due to Data Protection.

Data Collection sheets

We have started sending out our data collection sheets. Please check the information carefully and return it to your class teacher with any amendments. It is important that we have correct information regarding allergies, medical conditions and contact telephone numbers / email addresses for example.

Communication with your class teacher

A reminder to parents, if you wish to speak to your child's class teacher you can do so from 8.50am or 3.40pm. Arrangements can be made directly with the class teacher or via the school office.

School Fund

Again, may I thank parents that have made a contribution to our school fund.

Thank you for your continued support.
