Dear Parent / Guardian,

As you are aware there was a serious incident in the Stretford area yesterday and it was dealt with by Greater Manchester Police.

As a precautionary measure, and on Police advice the school followed its Lockdown procedures to secure the safety of the children and staff.

I can report to you now that all the procedures were followed exactly as described in the Lockdown Policy and the school was secure and safe.

Thank you for all your support yesterday.

Yours sincerely,

Mr J. O'Brien
Headteacher
