17th January 2017

Dear Parent/Guardian,

Nursery registration for September 2017 intake is still open. Any parent who has not already applied for a place for their child in the nursery for September, please collect a form from the Infant office and return it with a copy of their baptism certificate and birth certificate to the office as soon as possible

Depending on numbers and circumstances and in accordance with our Admission Policy we are looking at the feasibility of offering full time places at the Nursery.

Yours sincerely,

Mr J O'Brien
Headteacher
