11th September 2017

Dear Parent / Guardian,

This is a reminder to all parents about contributions to school fund 2017 / 2018.

St. Ann's have experienced a reduction in government funding over the last few years and to maintain the level of investment needed to support your child through school we are asking for a contribution to school of £38 per year per family which equates to £1 per week.

Last year school funds helped the school provide for extra laptops for the children, to develop the Prayer Garden, decorate and carpet three classrooms and invest in play equipment and resources throughout the school.

We invite all families to make this voluntary contribution. Any parents who are unable to make this level of donation are welcome to volunteer a smaller amount.

Could parents please make their contribution through ParentPay.

If you are unable to activate your ParentPay account, please bring your donation to the school office in a clearly labelled envelope.

Can I thank you once again for your support in this matter.

Mr J. O'Brien
Headteacher
