Dear Parent / Guardian,

We have been busy finding ways to enhance our children's learning and exciting ways of raising funds in order to do this.

We will be sending home a tube of Smarties for each child today as part of a "Smarties Challenge"

*"We've given you these Smarties to eat,
But the empty tube you must keep
For every task* done, earn 20p
It's up to you to earn your fee.
Fill up your tube right to the top
Return in 3 weeks for our "Pot"*

* Tasks can include: tidying your room, filling or emptying the dishwasher, tidying your bedroom, filling the washing machine (or any other chore you feel is deserving of 20p).

This is a scrumptiously easy fundraising event that our children will love! The money raised will make a huge difference and all proceeds from this challenge will go directly towards improving our children's learning.

When you have collected your 20p coins, please bring your tube to school by Monday 11th June.

Thank you for your support.
